Mae Fah Luang University Hospital 	Mae Fah Luang University Hospital, which was established in 2009, offers both kinds of services; modern medicine and alternative medicine. The modern medicine approach is used in the treatment of patients suffering from common illnesses, emergency cases, during physical therapies, hydrotherapy, dental, dermatology, beauty and anti-aging treatments. The alternative treatments include acupuncture, massage treatments, Thai traditional medicine, apitherapy, chelation and vacuum cupping. Moreover, the hospital facilitates the teaching of students in a wide variety of fields. Skilful and motivated staff work in the hospital to provide a comprehensive service to students, lecturers, staff and the local community. The hospital aims to teach students and progress in the development of alternative medicine. Tel.No.: 0-5391-7531
