Dear Mr/Madam,

On behalf of Universitas Sriwijaya, I would like to express my deepest gratitude for your kindly maintaining very good cooperation with us in implementing AIMS Program during 2018. Through this letter, I am glad to inform you that Universitas Sriwijaya, has been ready to manage the AIMS Program 2019. The inbound application (August intake) is currently open with three faculties participating as the host of the AIMS Program 2019 at Universitas Sriwijaya, those are Faculty of Agriculture, Faculty of Engineering and Faculty of Mathematics and Natural Science.

It will be great honour if you mind informing your students about the program. The students who are eligible to join the program are the ones with the following criteria:

1. a registered student of university affiliated to the AIMS network
2. a full-time student or second-year-student when applying the program
3. nominated officially by home university
4. have good academic standing with CGPA not less than 3.0 or equivalent
5. have good command of English in speaking and writing

The eligible nominated students are required to fulfil the registration forms (the forms are attached) and send those to our official email (oia@unsri.ac.id) through the official email of the Office of International Affairs of their home university before May 31<sup>th</sup>, 2019. The class for the next semester will start on August 2019. For further information, please do not hesitate to contact us.

Thank you very much for the cooperation. We are looking forward to seeing your students at Universitas Sriwijaya.

Sincerely yours,

Prof. Ir. Zainuddin Nawawi, Ph.D.  
Vice Rector for Academic Affairs
